3. PRUNE

This is the combination phase:
Putting the images and audio
together!

Tools:

- PhotoStory 3
- iMovie

Tips:

- Think: 3 x 5
- Audio - 3 minutes
- Images - 5 or less
- Music: Optional, must do this LAST!!!

* Consider calling this step
“poaching”

4. PUBLISH

Steps:

- Export your finished story
- Copy to your flash drive
- Upload your story to
celebrateoklahoma.ning.com

Presenting to our class:

- Copy story to the presentation
computer's desktop
- Share brief story background

Tips:

- Geo-Tag your story on Ning
- Post constructive, specific
feedback as comments for
others on Ning during their
presentations
