

## Student Self-Assessment Rubric—Group Work

Name: \_\_\_\_\_

After your work is complete, evaluate **your own work** as a group member, using this rubric.

| "I"                                       | Beginning –1  | Developing –2   | Good –3   | Excellent –4  | My Score |
|---|---|---|---|---|----------|
| <b>Researches and gathers information</b> | Do not collect any information relating to the topic          | Collect very little information -some relates to the topic    | Collect some basic information - most relates to the topic          | Collect a great deal of information -all relates to the topic |          |
| <b>Completes duties</b>                   | Do not perform any duties                                     | Perform very few duties                                       | Perform nearly all duties   | Perform all assigned duties                                   |          |
| <b>Shares work equally</b>                | Most often rely on others to do the work                      | Rarely do the assigned work - often needs reminding           | Usually do the assigned work - rarely needs reminding               | Always do the assigned work without having to be reminded     |          |
| <b>Listens to teammates</b>               | Am always talking or remaining silent                         | Usually do most of the talking - rarely allow others to speak | Listen but sometimes talk too much or talks but only when necessary | Listen and speak a fair amount                                |          |
| <b>Group Contributions</b>                | Made few suggestions or contributions to the finished product | Made a fair amount of suggestions to the project              | Made  | Was the group leader in                                       |          |

Answer on the other side/ extra paper the following 4 questions:

(1) Identify your responsibilities within the group

(2) State what overall grade you would give YOURSELF on this project, and why (in a paragraph or two) you believe you should get that grade;

(3) What parts of this assignment were most challenging to you, and why?;

(4) Answer the following: I could be a better group member next time by (what?):
